January 2017

Thank you...

Thank you for your past partnership and/or your new partnership with the Lake County Chamber of Commerce. We hope that we can count on your continued membership for 2017.

As you may or may not be aware, 2016 was a year of learning for our NEW Chamber Board. We are excited to share with you a few things we have been working on. We have a new website, this was by far way more challenging than any of us ever imagined but we are pleased with the outcome and hope you are too. The business's listed with details are the most current paid members. By completing and returning the enclosed application with your Chamber dues, your business information can be added to the site. We are also working on a Facebook page as social media is certainly important in today's world.

Have you noticed the new Billboards? We are continuing to work on new billboard ideas so we can periodically change them out. We also purchased promotional banners for annual Lake County fairs/festivals as a way to promote our County events!

With your paid membership (see backside for Membership benefits) to the Chamber we can collectively accomplish what no one business can do alone. Your investment impacts regional advancement and many other areas of growth for our County. Thank you in advance for your investment and participation, we hope that we can count on your continued partnership as we move forward in 2017.

If you have any questions, please contact me at the Chamber office.

Sincerely,

Diana Venema

Secretary , Lake County Chamber of Commerce
