Business has been good for the area with lots of new building going on and lots of new people coming to Lake County. Blessing of the Bikes was the busiest that we have seen with lots of good comments and suggestions for next year. The chamber could use some help in the office and with events. Please come to the meetings, offer your ideas and find what you can do to help Lake County continue to be a prime location for year around living and weekend get-a-ways. Lake County is a great place to be.

We are asking for your continued support of the Chamber in the coming year. Lake County has so much to offer and, with your help, as a team we can and will make a difference. Thank You to everyone that gives their time to help Lake County.
